Exhibit B

Registration No. 810

The following is an excerpt taken from the registrant's letter of October 7, 1966.

"We have never signed a contract with the Japan National Tourist Organization. The work we did for them involved only one project, putting on a reception for the press and travel trade. The manager here in San Francisco telephoned one day and asked for help. Being old friends, naturally we agreed and carried out the necessary preparations for the party."
